IMPORTANT PRIMARY ELECTION VOTING INSTRUCTIONS

Under the new Washington State Primary system, you must select a political party ballot or a non-partisan ballot. Please follow the instructions below:

A non-partisan ballot is defined as a ballot with no party label or political party candidates or partisan offices. It contains only non-partisan elective offices and local ballot measures. The non-partisan races and measures are also part of each political party ballot.

You must choose only one ballot to vote. The remaining three ballots are deposited in the designated container. **If voting absentee, please discard the three un-voted ballots, do not return them with your voted ballot.** If you vote for non-partisan candidates on one of the partisan ballots, that ballot is the only ballot that can be returned as countable. DO NOT RETURN the separate non-partisan ballot. Please be advised, party affiliation is inferred when choosing a political party ballot, however no record will be made of the ballot you choose.

If you vote more than one political party ballot, none of your votes for political party candidates will count. You may vote a non-partisan ballot, regardless of any party affiliation.

VOTER INSTRUCTIONS: To VOTE, connect the arrow pointing to your choice like this

To vote for a candidate whose name is not printed on the ballot, complete the arrow pointing to the write-in space for the appropriate office and write-in the name of the person for whom you wish to vote. If you change your mind or make an error in marking your ballot, you may return it to the election official for a replacement ballot or "X" out the incorrect choice and vote the correct choice.
